Industrial and Commercial
Painting Solutions

To complement
a **50-plus-year**
tradition of excellence

in heavy-duty industrial and commercial field painting, G.C. Zarnas & Company Inc. invites you to experience our new Quality Shop Applied Coatings operation, a value-added service designed to ensure lifelong protection of your various painted surfaces.

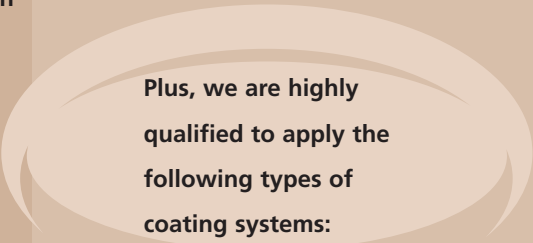

Located off Interstate 695 in Maryland, our new 12,000-square-foot facility is equipped with a 7-ton handling capacity as well as overhead doors for easy pick-up and delivery and is railroad accessible with a direct connection to Norfolk Southern Railroad, covering 21,500 miles in 22 states and the District of Columbia.

Serving the steel structures, heavy engineering, power, pharmaceutical, food, petrochemical, water and waste water treatment industries, our veteran shop team is well experienced to perform any surface preparation method, including:

- Abrasive Blast Cleaning
- Slurry Abrasive Blast Cleaning
- Wet Blast Cleaning
- Sponge Abrasive Blast Cleaning
- Vacuum Blast Cleaning
- Chemical Stripping
- High-Pressure Water Blast Cleaning
- High-Pressure Water and Detergent Cleaning

Plus, we are highly qualified to apply the following types of coating systems:

- Epoxy Linings
- Reinforced Fiberglass Linings
- Urethanes
- Silicone Coatings
- Vinyl and Vinyl Esters
- Phenolic Coatings
- High Temperature Coatings
- Polymer Coatings
- Intumescent Fireproofing
- Cementitious Fireproofing
