

## Commercial

Founded in 1948, G.C. Zarnas & Company, special coatings applicators, has satisfied thousands of customers with quality, value and service. By combining old world craftsmanship with the latest technology, projects are completed economically and on time.

General contractors and facility decision makers select Zarnas based on our highly skilled estimators and project managers, who prepare competitive and accurate cost estimates, deal with complex insurance and bonding requirements, and supervise numerous projects and expert craftsmen daily.

Construction managers rely on Zarnas for our experience in all phases of the architectural, engineering and building industries. Our project managers read and understand technical design, building plans, construction documents and specifications.

Most importantly, Zarnas completes projects on time, without sacrificing quality, neatness and safety. The Society for Protective Coatings (SSPC) and the Painting and Decorating Contractors of America (PDCA) certify Zarnas.

Zarnas' safety record speaks for itself – a low Experience Modification Rating (EMR)

and low Occupational Safety & Health Administration (OSHA) incident rates demonstrate Zarnas' commitment to safety and government regulations.

Zarnas is the contractor of choice for:

- Industrial and maintenance coatings
- Commercial and architectural paints and wall covering
- Fireproofing
- Lead/asbestos abatement
- Floor and roof coatings
- Surface preparation

Zarnas provides services and expertise to:

- Educational centers
- Entertainment, resort and athletic facilities
- Hospitality and retirement communities
- Food, beverage and pharmaceutical plants
- Manufacturing and office complexes

Zarnas will help you choose the coating application system and materials to best fit your needs and budget. Zarnas delivers satisfaction!
