

ITEM#1121,1122, 1123, 1124, 1125, 1126

5/8" LIFE LINE

November 5, 2009

Product Description

Life Line is a 3-strand twisted polyester/polypropylene combination rope with a double locking hook on one end. The polyester fibers are wrapped around polypropylene fibers.

Diameter

5/8" or .625"

Length

Item#1121 50 feet
Item#1122 75 feet
Item#1123 100 feet
Item#1124 150feet
Item#1126 200 feet
Item#1125 250 feet

Tensile Strength

6,400 Lbs.

Working Load

1,088 Lbs.

Construction

3 Strand Twisted

Material

Combination of Polyester fiber wrapped around polypropylene fibers.

Coating

None.
